

Prayer Concerns

1 Peter 1:3-9, "born again to a living hope"

February 25

- **Mary Lee's** daughter, **April Schepisi**, has been diagnosed with a level 3 cancer. Let's pray that God will heal her body and strengthen her soul in these days, and that he will shelter her children and bring loving care to them all. (2/20)
- **UPDATE! Max**, a 4-year-old daycare friend of **Braxton Schepisi**, is home from the hospital after a very serious case of flu. He is improving! Praise the Lord! (2/18)
- **UPDATE! Christine Torey's** daughter **Deborah** and our faithful friend, **Ken Buess** both have heart concerns. Thankfully, Debbie's concerns have proven inconsequential; Ken is scheduled for extensive testing soon. (2/18)
- **Wes** and **May** have shared that their dear friend, **Genevive Strickland**, passed away Saturday morning from bone cancer. Please pray with them for family and friends to find comfort, wisdom, and strength in this loss. (2/18)
- **Jennifer's** prayer partner at Maple High School, **Emmie**, and her entire **Hagadone** family are grieving the recent loss of Emmie's 27-year-old son **Andrew** to kidney failure. (2/18)
- Our **children struggling in school**. (2/18)
- **Nancy's** cousin **Ralph** is struggling to handle chemo treatments. We pray for an effective form of treatment. (2/18)
- **The Chile Ministry Team** is six weeks away from departure and final preparations are being made. Please pray for full health in both body and soul, support and understanding from family members, and that the loose ends of several preparatory projects would come together. THANK YOU to all of you who are partnering with us in this way!
- **Kathy Ciampa's** sister **Joann** was hospitalized recently due to blood clots, but after treatment, her condition has improved. Please pray with us for her continued recovery and strengthening. (2/17)

Concerned for those with Cancer, we PRAY for healing from cancer, for better pain management, for relational wisdom under stress, for wise and timely medical care — all these things we pray for the following warriors and their families:
April Schepisi (Mary Lee's daughter);
a 32-year-old **friend**;
Jean Webster (Matt's mom);
Ralph (Nancy Carpenter's cousin);
Debbie Haggerty (Wes van Ort's cousin);
Brian Mattiske

- **Pastor Steward** has asked us to pray for the Christians of Assam, India. An anti-Christian bill has been introduced in that state's legislature that threatens to directly and negatively impact the ministry of Oak Brook School and the village missions that Steward supports. (2/13)
- **Jeremy & Susan Beebout** have asked us to pray for the EERN church, the CADR leaders, the employees, patients, instructors, and students of the medical clinics in Niger that the Kingdom of God might advance among them. They also seek prayer that they themselves will be obedient to the Spirit's leading as they consider next steps for their family, that their daughters **Lydia & Eliza** (at the University of Iowa) and **Abby & Ben** (at home in Cedar Falls) will flourish. (2/13)
- Guidance for **family caring for extended relatives**. (2/12)
- **Andrea's** friend **Joanna's** sister and nephew, and **Danielle** remain in our prayers for safety and recovery, comfort, and strength. (2/12)
- **Denise Wright's** aunt, **Pat Jackson**, passed away this week. Please pray her family will have peace and be comforted. (2/12)
