

Prayer Concerns...

- **PRAISE GOD!** The Chile Ministry Team has returned after a wonderful week in Santiago at the House of Hope and a school and orphanage in the neighborhood . There were answers to prayer every day, beautiful and encouraging relationships established, improvements made on the property, and much spiritual encouragement shared in music, testimony and Bible study. We look forward to God strengthening and growing the work of Vision for Children there in La Pintana, and in us at ERC as we seek to serve Him with greater love and growing trust. (4/8)
- **May Van Ort's** dear friend had her right leg amputated last week. Gentle good-byes are being made. Prayer is asked for this friend's family. (4/7)
- **Laura Beerle's grandmother** is in a lot of pain from a herniated disc at the age of 95. (4/7)
- A young woman named **Taylor** is facing drug addiction. (4/7)
- **Lori Shortsleeve's** sister-in-law, **Donna**, is scheduled for surgery to remove a mass in her abdomen on April 19. There is a concern that they may find cancer. (4/7)
- We are joining **Andrea Brunetto** in prayer for healing and comfort for **Joanna, Maurice and Jessica**, direction for **Jessica S.**, and that the Holy Spirit may get hold of the hearts and thoughts of those in addiction and recovery. (4/7)
- **April Schepisi** is recovering from surgery and waiting for results to determine the next steps for treatment. (4/7)
- A friend is seeking renewed **strength against addictions**, and we add prayers for wisdom for those around our friend seeking to offer a helping hand. (3/14)

- **Mission Partners have sent new reports!** They are posted in the hallway opposite the large map. (4/7)
 - **Pastor Steward** from NE India speaks of continued growth of the church in new baptisms, the completion of another Great Commission Challenge camp. He seeks prayer for new believers, healing for Vikas Lalung from a bike accident, for himself and fellow evangelists and their families as they continue to witness boldly for Christ.
 - **Jeremy & Susan Beebout** from Iowa reflect on a season of new things, rejoicing that for the first time in 6 years they've been able to enjoy Easter in the States. They share a good report on the medical mission in Niger and seek prayer as they consider next steps in their lives.
