"He tends his flock like a shepherd; He gathers the lambs in his arms and carries them close to his heart; he gently leads those that have young."  
Isaiah 40:11

## Praying for healing from cancer...

We join in earnest prayer for all these, asking God to give healing grace and wisdom to all aspects of life invaded by cancer: **April Schepisi**; 32-year-old friend; **Jean Webster** (Matt's mom); **Ralph** (Nancy Carpenter's cousin); **Debbie Haggerty** (Wes Van Ort's cousin); and **Brian Mattiske**.

## A Prayer for Comfort

**Lord Jesus, remind us that we are not alone, that You are walking with us through every moment, and that you will be there in the moments to come. You are Emmanuel, God with us, and you will not let us go.**

- **Laura Beerle's grandmother** is in a lot of pain from a herniated disc at the age of 95. (4/7)
- A young woman named **Taylor** is facing drug addiction. (4/7)
- **April Schepisi** is recovering from surgery and waiting for results to determine the next steps for treatment. (4/7)
- **PRAISE GOD!** The Chile Ministry Team has returned after a wonderful week in Santiago at the House of Hope and a school and orphanage in the neighborhood. There were answers to prayer every day, beautiful and encouraging relationships established, improvements made on the property, and much spiritual encouragement shared in music, testimony and Bible study. (4/8)
- **Mission Partners have sent new reports!** They are posted in the hallway opposite the large map. **Pastor Steward** from NE India speaks of continued growth of the church. He seeks prayer for new believers, and for himself and fellow evangelists and their families as they continue to witness boldly for Christ. **Jeremy & Susan Beebout** from Iowa reflect on a season of new things, rejoicing that for the first time in 6 years they've been able to enjoy Easter in the States. They share a good report on the medical mission in Niger and seek prayer as they consider next steps in their lives.
